# About Us

Our Factory is a natural stone (marble-travertine-beige) manufacturer and exporter company in Turkey. Our mission as CVH STONE is to use modern mining technologies to process and finish the marble and travertine blocks that are extracted from our national mining areas. We serve domestic and foreign customers by custom cutting and finishing the marble according to our customers' requirements. We are looking for clients to start a business relation. If you are interested in our products, please contact us through [info@cvhstone.com](mailto:info@cvhstone.com) Special and bespoke products and dimensions are available. All products are can be produced in tumbled, honed, polished finishes and different colour natural stone.
